

UTILISAVE’S NEGOTIATION SKILLS MAKE US TENACIOUS ADVOCATES FOR OUR CLIENTS

CLIENT PROFILE

This UtiliSave client is a healthcare and nursing facility that provides rehabilitative health services and clinical care to residents of the New York metropolitan area.

IDENTIFYING IMPROPER BILLING RATES

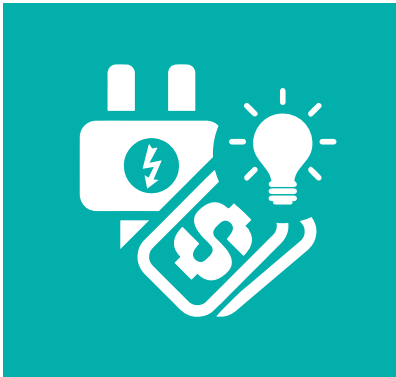

UtiliSave obtained a **\$30,000** refund by recognizing that the client was placed on an incorrect billing rate by the utility company.

Initially, the utility company adjusted the client to the appropriate rate moving forward but was unwilling to offer a retroactive credit for the years during which the client was being billed incorrectly. UtiliSave presented the relevant case law evidencing that this error was caused from a utility company error, and ultimately, the utility company agreed to issue our client a 5 year refund with interest.

TAKING ADVANTAGE OF SPECIAL PROGRAMS AND DISCOUNTS

For a separate issue, UtiliSave obtained an additional **\$15,000** for this client’s electric bill by validating certain bill discounts. UtiliSave auditors are constantly on the lookout for innovative ways to save on utility costs.
