

THE POWER OF PERFORMANCE-BASED PRICING

Focus on the metric by which our clients measure our success — the amount of profit we put back into your pocket.

OUR FEE STRUCTURE

UtiliSave works on a contingency basis, which speaks volumes to our vested interest in achieving maximum refunds and savings.

No upfront fee.

Client keeps **60% of refunds or prospective savings** that UtiliSave uncovers or implements.

The **integrity of UtiliSave's terms** are held for all companies across the board.

No advance payments, even if we engage outside counsel or engineers.

UtiliSave receives a 40% performance fee for future savings issues for 36 months. **The client keeps 100% thereafter.**

The client can **cancel UtiliSave's services at any time.**

VALUE OF OUR SERVICES

UtiliSave is a total utility data management partner.

Physical inspections on a regular basis.

Superior technology: Millions of dollars invested in our IT infrastructure, allowing for unmatched data analysis.

Monthly review of your utility bills for continuous refunds and savings year after year.

We build compelling case studies from complex data sets to **successfully negotiate** (and litigate when necessary) refunds on our client's behalf.

Industry experts on call to address questions concerning your utility data.

FREE ADDED VALUE SERVICES:

Use Audit™: Identify operational inefficiencies.

Benchmarking with local law compliance, and general posting to EnergyStar at our customers' request.

Real Time Data
UtiliSave's proprietary technology allows us to access real-time billing and energy consumption data for budgeting and monitoring.

Deregulated Energy Purchase: We help navigate and optimize the process.

PARTNERSHIP IN SUCCESS

UtiliSave finds immediate as well as continuous refunds and savings for our clients, year after year.

"There is no question we made the right decision and UtiliSave has lived up to its reputation for providing savings year after year, a testament to their intellectual capital and years of experience in this industry. As soon as we made our decision, they immediately focused on achieving savings results and continue to do so to this day."
